### **NATIONALLY TOP RANKED SCHOOL**

The Design and Architecture Senior High, DASH, is a Miami Dade County magnet High School located in the Miami Design District. DASH was named **America's #1 Magnet School** by *U.S. News & World Report* in 2012 and has continued to rank among the top high schools nationally for the past decade. The school features programs in Architecture/Interior Design, Entertainment Technology, Fashion Design, Industrial Design, and Visual Communications/Web Design. The curriculum includes a strong, four-year foundation in the fine arts, internships with local design firms, and dual-enrollment college-level design courses, such as performance art, taught by professors from local colleges as well as field professionals.

### **WHAT IS TASTE OF DESIGN (TOD)?**

TOD is the PTSA's biggest event, which raises much needed funds used to enhance our children's education. At TOD guests enjoy signature dishes from top local restaurants, refreshing beverages, live entertainment and get to bid on fabulous items during the silent and live auctions.

### **PTSA FUNDS SUPPORT STUDENT ACTIVITIES**

Examples of PTSA funded items include: Smart Boards, Student Agendas, 9th Grade Pins, Pre-College Trips for Seniors, Teacher Appreciation Events, Hispanic and Black Heritage Events, Art Supplies, Fashion Shows for budding designers, and much more.

### **SUPPORT BY DONATING AN AUCTION ITEM**

As a parent or business owner in the community, please consider helping DASH. Your auction donation helps us to support our teachers and students in this very unique high-performing high school. Our students come from varied socio-economic backgrounds and need our support. In addition, funds in Miami Dade County Schools are very limited and without the PTSA's support DASH cannot fund some of the basic and extracurricular activities.
